PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Around The Glades

(By Paul Rardin)

Wonderful weather! I wish everybody could have this kind of weather in their home ballwicks. Sunshine and good fishing—that's what brings the Yankees to Florida.

The new office manager at Everglades Memorial Hospital is Othan Gilbert. Othan is a former resident of Pahokee and many years ago was in the office of the Chevrolet concern. Mrs. C. E. Williams is a daughter of Mr. Gilbert. He recently came here from Carrollton, Ga.

Last week marked thirty years that J. T. Platt has been connected with The Everglades News in the mechanical department. That's a long time to be responsible for turning out a newspaper once a week every week. Nearly a third of a century. The Platts live in Pahokee and are natives of Perry in Taylor county Florida.

A new bridge across the Hillsborough canal was opened in Belle Glade this week. The location, designated by the City Commission of that city, at Fifth Street in front of the high school. Cost of the bridge was well over \$100,000.00 and contract was let by the State Road Department. I had the idea for the bridge across the canal several years ago and had the pleasure of appropriating the money for the project while on the county commission.

20 County Agents In Glades Tuesday

Twenty county agents and home demonstration agents attended a planning session at the Glades Office Building Tuesday. The meeting was presided over by Dr. M. Q. Watkins, director of the University of Florida Extension Service. F. S. Perry and K. S. McMullen of Gainesville accompanied Dr. Watkins.

Fred Montsueca of Glades County and Mrs. May O. Fulton who are working on projects dealing with the Indians also took part in the day-long meeting.

The host county was represented by M. U. Mounts, Palm Beach County Agent and Mary Todd, Home Demonstration Agent.

ATTEND WEDDING

Among the many out of town guests attending the February 14 wedding of Miss Alice Elaine Hurt and Donald Thompson were Mr. and Mrs. Harry Nye of Riviera Beach; Mr. and Mrs. John Nye and sons, Sean and Jimmy of West Palm Beach; Mr. and Mrs. Ted Keller and children Debbie and Jeff of Ft. Lauderdale; Mrs. Elizabeth Kendrick, Ft. Lauderdale; Mrs. May Belle Ray, Mrs. Genevieve Garrett and Michael Garrett, all of Miami; Miss Virginia Tyner and Chat Clark, both of New Smyrna Beach.

Mrs. Ellis Wilkinson is a patient in Good Samaritan Hospital, West Palm Beach.

Pahokee Girls On Stetson Honor Roll

Miss Jann Plumer and Miss Yvonne Thompson were placed on the Honor Roll for the fall semester at Stetson University, Deland. To make the honor list, students must be undergraduates who carry a load of at least 15 hours and earn no grade less than B.

Jann is the daughter of Mr. and Mrs. William S. Plumer and Yvonne is the daughter of Mr. and Mrs. Joe E. Thompson.

Vegetable Prices Are Up, Corn Scarce

Vegetable prices are up this week but that fact doesn't do the local growers a lot of good. Offerings are scarce. Corn is quoted at \$4.25 per crate but the supply is practically nil. Some is coming in to local brokers from the east coast at this price.

Cabbage is a little stronger this week and offerings are bringing \$1.75 per bushel but there isn't much cabbage. Pepper is bringing from \$3.00 to \$3.25. Celery is steady at \$2.00 to \$2.25 with the demand good.

Glades area farmers have been busy for three weeks planting corn and they have about finished for the spring crop. When all the corn comes in at one time that has been planted recently the growers can expect an oversupply and a price drop.

Mr. and Mrs. Norman Kennedy have as their guests, his cousins, Mr. and Mrs. Milo Patrick of Leicester, N. Y.

Feb. 24 Official Opening Of Inn

The ribbon cutting ceremonies for the opening of the new Holiday Inn in Belle Glade has been set for Feb. 24 at 5 p. m., with Warren Spahn, one of the owners taking part. The local owners of the Inn, Claude Jones, Belle Glade Attorney, and Milton Burr are planning to help with ribbon-cutting.

Guests have been invited to attend a dinner at 8:30 p. m., on the day of the official opening. Mayor LeBron Williams will also take part in the ceremonies.

The first social function to be held at the new Holiday Inn will be the annual Heart Ball which will be held on the night of the dedication, March 27.

Johnny Spence Will Speak February 24

Johnny Spence will be speaking in Canal Point Baptist Church on Wednesday, February 24, at 7:45 p. m. Mr. Spence, at the age of 17, was one of the youngest professional golfers in America. He sold his life to the price of sin to enter the chambers of death. At the service he will speak of his "Return from the Dead". All the entire community is invited to hear this man who has given his life to touch young people.

Mr. and Mrs. Norman Kennedy have as their guests, his cousins, Mr. and Mrs. Milo Patrick of Leicester, N. Y.

Mrs. Bleech Named Delegate To Meeting

Mrs. Otto R. Bleech was elected delegate to the Diocesan convention in Orlando, May 10-12 at the February meeting of St. Martha's Chapter, Episcopal Church women, held at the home of the president, Mrs. Daniel McCarton last week. It was announced the Palm Beach Deaneary meeting Wednesday, February 24, will be attended by Mrs. Donald Harrington, Mrs. Harold Wilkinson and Mrs. McCarton. The March meeting of the chapter will be at the home of Mrs. Norman Kennedy.

Garden Club Meets At Federal Room

The Pahokee Garden Club met at the Everglades Federal Community room Tuesday morning with Mrs. Don M. Hillier, president, presiding. A demonstration airlayering plants was given by Mrs. Ruth Meredith. Mrs. L. W. Armstrong presented a program on "Orchids" and demonstrated separating and repotting orchid plants.

Members have been invited by the Palm Beach Garden club to hear Charles Mohr speak on Thursday, February 25 at the Society of Four Arts building in Palm Beach. Mrs. Martha McIntosh has been named membership chairman and persons interested in joining the Garden Club are asked to call her for information.

Sweet Corn Ruling On Shucked Ears

Delray Beach sweet corn grower, Lewis Rauth won a decisive victory over the Sweet Corn Advisory Committee in a meeting Tuesday when that group rendered a decision in his favor saying that he can pre-package shucked corn not under five inches in length. The meeting was held at the Glades Office Building and drew a record number of interested corn growers along with members of the Committee.

Although several members of the committee originally proposed the change in grade standards, it was George H. Wedgworth who introduced the motion that will permit the grading of corn out of the shuck.

Rauth argued for this grading in order to put his product on the market so the entire length of the edible cob may be exhibited.

Prior to the meeting, certain specifications were set out by the advisory group. The only change made in the specifications was that the length of the husked corn be five instead of four $\frac{1}{2}$ inches.

Although many of the experienced growers left the meeting shaking their heads, Rauth, who is now in his second year as a sweet corn producer, was confident his plans for packaging, shipping and marketing the commodity would prove a boom to the industry.

First Baptist Is Building SS Rooms

The First Baptist Church in Canal Point on Canal Street will soon have four new modern Sunday School rooms when construction is completed. The building is a modern concrete block constructed building and sets a few feet away from the frame-stucco church which has served the congregation for many years.

Process of construction has been slow through the past several months with donated labor. The lot had to be cleared of a big cypress tree before work could be started and this was an almost endless task. However, perseverance prevailed and finally the lot was cleared of trees and rubbish ready for construction.

Camera Club Has Officer Election

The Pahokee Junior High Camera Club held a meeting on February 17 and saw an excellent film about a family who decided to take snapshots and discover a new, happier life taking snapshots of people and all interesting things they could find.

The Camera Club also elected officers which are as follows: President, Juan Patino; Vice President, Hank Tucker; Treasurer, Beverly Wilkinson; Reporters, 9th grade, Linda Woods; 8th grade, Carol Woods and 7th grade, Lowell Gray.

The next meeting of the Camera Club will be held on March 3.

The new worthy matron was escorted to the East by her husband, H. C. Graham, who as new worthy patron was in turn, escorted to the East by his niece, Mrs. Virginia Breneman, of Orlando, who sang "This is My Task," accompanied at the piano by Mr. Graham's sister-in-law, Mrs. Otto Graham, Sr., of Waukegan, Ill.

the junior past matron, Mrs. Hughes, with a past matron's jewel. H. C. Graham presented to junior past patron, Perry Sizemore, a worthy patron's jewel.

Mrs. Graham presented gifts and pink rosebud corsages to the installing officers, and other gifts were exchanged among members.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—~~and~~ in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH

U. S. SAVINGS BONDS

St. Valentine's Day Wedding Solemnized

At 3 o'clock in the afternoon, St. Valentine's Day, Miss Alice Elaine Hurt and Donald Carroll Thompson, both of Pahokee, were united in marriage in a candlelight ceremony at the First Methodist Church in Pahokee, with Rev. John A. Briley, pastor, officiating.

The three tree candelabra bearing white cathedral tapers, which stood before a bank of potted palms at the altar, were entwined with sweetheart arrangements of roses, mums and pompons, from which flowed white satin streamers. White satin bows marked the pews reserved for relatives.

The bride, daughter of Mr. and Mrs. Richard Fallin Hurt, 155 Banyan Ave., Pahokee, graduated from Pahokee High School in 1962, and is also a graduate of Florida College of Medical Technology, Miami. She is a member of Beta Sigma Phi Sorority, and is presently employed at the Poteete-Hatton Clinic.

The bridegroom is the son of Mrs. Juanita Sullivan, 420 Banyan Ave., Pahokee. After graduating from Pahokee High School, he attended The Citadel for three years and received a BS degree from Arkansas A & M College, College Heights, Ark., in the spring of 1964. He is now a member of the Pahokee High School faculty, serving as social studies teacher and coach.

Mrs. Karen Corbin, organist, played traditional nuptial selections and accompanied Mrs. Hugh H. Branch as she sang "Entreat Me Not to Leave Thee," "I Love Thee" and "The Wedding Prayer."

Miss Rebecca Mackey as maid of honor wore a gown of red bridal satin with lace jacket and matching nose veil. She carried a heart-shaped valentine arrangement of sweetheart roses and carnations.

The gowns of Miss Brenda Unwin, bridesmaid, and Miss Karen Hooks, junior bridesmaid and niece of the bride, were fashioned identically to that of the maid of honor and their flowers also were the same. The bridesmaids' hats and pearl ear bobs worn by all three attendants were gifts from the bride.

Richard Fallin Hurt escorted his daughter to the altar and gave her in marriage. Her gown of Chantilly lace over white satin featured a full-length skirt ending in a chapel train. The fitted bodice was fashioned with scalloped neckline outlined with tiny beads, princess waistline and tiny buttons down the back, as well as on the long sleeves where they were pointed below the wrists. Flowing from a crown of pearls was the elbow-length veil of tulle. Her cascade of carnations was centered with white orchids.

William D. Howard served as Mr. Thompson's best man. Chat Clark and W. L. Thompson, brother of the bridegroom, were ushers.

Mrs. Hurt chose for her daughter's wedding a blue lined suit with white accessories, while Mrs. Sul-

ivan, mother of the bridegroom, wore a pink suit with matching accessories. The corsages of both mothers were of white orchids.

The bride's parents were hosts at the reception in the fellowship hall of the church. Red carnations and white gladioli were used in carrying out the valentine motif in the decorations, and red fruit, shaped as miniature hearts were frozen in the ice used to cool red punch, which was made by Mrs. Alyce Tyson and Mrs. Marilyn Poteete.

Mrs. Beulah Boe was at the door for the introduction of guests. Mrs. Bernice Simonson and Mrs. Marjorie Hatton served portions of the wedding cake, while Mrs. Alyce Tyson and Mrs. Marilyn Poteete poured at the punch bowls. Miss Jo Ann McKinstry was at the bride's book. Soft background music on the piano was played by Miss Tammy Branch. Others assisting were Mrs. Janet Hall, Miss Yvonne Thompson, Miss Olga Sheffield, and Miss Willola Tyson.

Following the wedding trip, Mr. and Mrs. Thompson will be at their home, 264 Amona Ave., Pahokee, after Feb. 18.

SODBUSTERS MEETING

Mrs. Jimmy Shirley was hostess to the Sodbusters for their Tuesday morning meeting, this week with Mrs. Lee Shirley presiding at the business meeting. The program "Small Flower Arrangements Made with Beads" was presented by Mrs. Jimmy Shirley. The March meeting will be held at the home of Mrs. Harold Wilkinson.

Mr. and Mrs. J. L. McCall had as weekend guests, "Bobby" and Martin Yawn and Ivan Smith all of Hazelhurst, Ga.

Mrs. Aldridge Was Crowned Queen

Mrs. Norma Aldridge was crowned 1965 Valentine Queen at Beta Sigma Phi's 17th annual benefit Valentine Dance held in the ballroom of the Pahokee Elks Club Saturday night. The new queen, president of Xi Beta Tau Chapter and secretary of the sorority's City Council, was crowned by Mrs. Clark Wilkinson, the 1964 queen. The dance was a highlight of the winter social season in the Pahokee-Canal Point area, with more than 200 attending the gala event.

Music for dancing was furnished by Joe Sigmund's Orchestra of West Palm Beach. Mrs. Dorothy Buckner and Mrs. Jim Pitts were co-chairmen in charge of general arrangements, with each of the four chapters participating with special services: Phi Gamma Nu, invitations and reservations; Beta Omicron, refreshments; Xi Beta Tau, coronation ceremony; and Xi Alpha Mu, decorations.

Beta Sigma Phi's City Council, sponsor of the dance, and members of all four chapters wish to express their appreciation and thanks to those who helped in any way to make the benefit dance an outstanding success. Proceeds go into the Beta Sigma Phi Service Project Hospital Fund.

SunFLavor Seal Gains Publicity

TAMPA—Florida's Commissioner of Agriculture Doyle Conner has been explaining the state's new SunFlavor seal of quality to industrialists during a tour of the state. He staged meetings with the industry men in Jacksonville, Tampa and Miami.

While the seal has been in the research and planning stages for some three years, Conner explained, steady marketing of Florida's top quality produce under the seal will be under way within three weeks.

Last spring new potatoes, watermelon and sweet corn qualified

for the program and pilot shipments were made to New York and Chicago.

Starting Jan. 13, the first shipment of SunFlavor citrus will leave Ft. Pierce.

Promotion has already begun in

national magazines and trade papers," Conner said. "Next comes wide consumer advertising. We

plan to use color advertisement in

women's magazines that will reach

30 million readers.

A license from the Florida Department of Agriculture is required for use of the seal. All products sold under the label must meet U.S. number one grade or better.

Why should you buy

U. S. Savings Bonds when there are so many other good investments?

To help your country is one answer—and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Post Office Savings Bonds or with your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the banks or savings institutions that sell them don't charge you a penny for the service.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

Indians Win Right Land Compensation

MIAMI—Looks as though the old gag of "Give the country back to the Indians" might come true in the future, according to a Reader's Digest article.

Ever since the first white man set foot on Florida soil the Indians have been shunted to one side, had their lands confiscated and have been forced to move into the depths of the Everglades. Recently, however, an Indian Claims Commission set up by Congress has been investigating the claims of the Indians and, where facts justify, have recommended restitution.

Following a legal battle lasting more than a decade, the Florida Indians have won the right to compensation for the loss of their forefathers' lands.

The story of the legal battle and the presentation of the Indians' case to the Claims Commission is told in an article in the February issue of Reader's Digest entitled, "The Seminoles' Long Road to Victory" written by Bill and Ellen Hartley of South Miami.

To win their case the Seminoles

employed a woman lawyer, Mrs. Effie Knowles, who spent the better part of a year gathering facts.

Mrs. Knowles then proved the Seminoles had been occupants of Florida

from first recorded history and when Spain sold Florida to the U.S. in 1819, Article Six of the Treaty assured the Seminoles of

"all the privileges, rights and im-

munities of the citizens of the

United States".

The Commission ruled in favor of the Seminole claim and admitted the Indians had once owned the 32 million acres making up the State of Florida, and the Indians are entitled to just payment. The last estimate of the sum due the Indians mentioned \$36 million, the largest settlement in the history of the Claims Commission.

Some Indians want the money, but the off reservation residents who have made their homes in the Everglades and Oklahoma want land on which to live in freedom, since oil is being pumped from the swamps and subdivisions are springing up everywhere.

Final settlement has not been made, according to the Reader's Digest article, and it will be some time before all the Indian tribes are satisfied with the results.

Board Splits Vote, Republicans Win

It wasn't a unanimous decision by the county commission but the security force at International Airport are now under the jurisdiction of the sheriff's department.

The board split three to two on a motion by Republican Edward Bandlow that control of the airport deputies be given to the sheriff's department with the county commission continuing to pay the deputies salaries.

He was supported by Republican Commissioners George Warren and E. F. Van Kessel, with Democrats Chairman Lake Lytal and Commissioner Wm. E. W. and Commissioner E. W. Weaver casting the dissenting votes.

Bandlow also suggested that policies at the airport under which the deputies would operate be set by Frank Sakser, airport manager.

Sakser objected to the split responsibility, said he would cooperate in any way possible. If responsibility is to be shifted, he said it should be lock, stock and barrel—and that's the way the commission voted.

Owen Cassaway, base operator at Lantana Airport, has been granted a new lease by the county commission lowering the rent Florida Airmotive pays for use of county facilities at the field.

Cassaway said loss of a hanger at the Lantana field has cut down his source of revenue. The commission agreed and cut the rent from \$11,500 annually to \$8,500.

The base operator, who is merging his firm with Floridian Aviation, will continue to pay the county \$100 per month as set out in the Floridian lease with the county.

Florida State Fair Remains in Tampa

TAMPA—Tampa has been assured that it will continue to be the site of the Florida State Fair and rumors of the annual exhibition moving to another section of the state have been unfounded.

State Commissioner of Agriculture Doyle E. Conner spoke at the annual Governor's Day luncheon in place of Gov. Haydon Burns, who couldn't make it because of illness. Conner, who is chairman of the Agricultural Fair and Livestock Committee, which has the duty of giving permits to fairs to operate, said the committee's attitude toward the fair has always favored the Tampa location.

The rumors were compounded a year ago when the fair was placed on probation by the state committee because of what was called gambling games on the midway. The probation was lifted later and the fair received its permit to operate as usual.

Mrs. L. P. Vann returned to her home Saturday following several days stay in Everglades Memorial Hospital.

Rainbow To Help In Leukemia Drive

Pahokee Rainbow Girls, at the regular meeting of Assembly 16 in the Masonic Temple Monday night, voted to assist again this year in the local Leukemia Drive Thursday evening, March 4, when they will make house-to-house call in the Pahokee-Canal Point area to collect contributions. Residents are asked to have their porch or entrance lights on that evening, indicating their willingness to make donations to this cause. Last year the Rainbow Girls collected locally more than \$300 in the Leukemia Drive.

The group voted to present a truly old-fashioned public box supper in the Community Building at the Glades Park, Canal Point, Saturday night, March 13, with all the "gals" invited to bring their pretty boxes filled with tempting foods, and all the "beaus" invited to be present to bid for their favorite boxes as they are put up for auction. The St. Patrick's Day theme will be predominate at the supper. Miss Mary Lee Adams is chairman in charge of this project and will be glad to give any additional information about it. Proceeds will go toward covering the expense of sending delegates to the annual meeting of the Grand Assembly in Jacksonville next June.

Plans were made for a slumber party to be held at the home of Mr. and Mrs. Ray Ursey at Cahal Point on March 19, at which time the girls will study for their proficiency tests.

A special meeting of Assembly 16 was called for Monday, February 22, at 7:30 p. m., when Miss Elizabeth Gist, worthy advisor, and her staff of officers will initiate three new members into the Order of Rainbow for Girls.

TO LEAD REVIVAL

REV. BEN WILLIAMS

Methodists Plan Revival This Week

A revival meeting started at the Canal Point Methodist church last night and will last through February 25, according to Pastor James Baugher.

Rev. Ben Williams, who led a revival here last year is back in the local pulpit and the singing is under the direction of Carter Berkeley, who also was here last year.

Schedule of the meetings show that the service will start each evening at 7:30 p. m. and a cordial invitation is extended to all residents to attend.

Tagged Fish Get Fishermen Cash

Fishing in both fresh and salt water is much better and more rewarding on the Lower East Coast this month than it was in February last year, and there are figures to prove it.

Results of the first two weeks of the Schlitz Florida \$500,000 Fishing Derby showed yesterday that 58 fishermen have received \$3,550 in cash awards for returning 59 tagged fish (one caught two fish) for research study to the State Game and Fresh Water Fish Commission and the State Board of Conservation for salt water. This is nearly half of the \$7,500 paid for 180 tagged fish in the area during the entire 1964 Derby, which continues this year through April 30.

In addition to tag values ranging from \$25 to \$10,000, an Old Milwaukee Bonus has been placed on 100 designated tag numbers which pay twice the normal tag value. The extra money is offered as an added incentive to return more tagged fish to the state agencies for study.

Four fishermen already have hit Derby Doubles, a four-ounce bass caught near Andytown wearing a \$1,000 metal tag gave Owen Day, \$2,000. Three fishermen /g/t a postal worker, Fort Lauderdale, Doubles on \$25 tags. They were Ira Lee Murphy, Lake Worth, for a three-ounce bream from the Palm Beach Canal; Fletcher Tiggs, Miami, for an 11-ounce bass at Flood Control No. 9; and George Hertel, West Hollywood, for a four-ounce bass two miles north of Andytown.

Herbert D. Hamilton, Route 1 West Palm Beach caught a straight \$50 14-inch bass at a bridge near Indian Trail Ranch in the Palm Beach Canal.

Garbage Yow-Yow Affects Canal Pt.

County Commissioners this week, referred to its legal department, a request that a garbage collection franchise issued last week to the Glades Sanitation Company serving Canal Point, be revoked and negotiations be reopened.

Attorney Bill Jackson, representing the South Florida Sanitation Company, a Belle Glade firm, said his client wants an opportunity to bid on the franchise. Jackson told the commission that the franchise issued last week was not correctly drawn and that the Glades Sanitation Company is operating in violation of the law.

Jackson told the commission that re-opening negotiations would result in better rates for customers and more revenue for the county.

The Belle Glade firm, a week ago, attempted to have issuance of the franchise delayed. At that time, the firm had not entered a petition of application for the franchise.
